

## Math Placement Frequently Asked Questions

### Where can I find the Proctor Password for ALEKS Math Test 2 or Test 3?

You are prompted for a **proctor password** for **ALEKS Math Test 2 or Test 3** because these tests are administered under proctor supervision.

You need to register to take ALEKS Math Test 2 or Test 3 proctored, and **your proctor will enter the password at the beginning of your test session.**

**To register for Test 2 or Test 3**, visit the **MC Guided Math Placement** webpage, scroll down to **Attempt/Test 2**, and follow the instructions.

### In-Person Testing

OR

### Online Testing

If you cannot make an on-line test appointment, it is important that you **reschedule or cancel your on-line test appointment at least 24 hours in advance.**

We strongly recommend **taking ALEKS tests in person.** This option minimizes technical issues, allows for immediate assistance if needed, and ensures a smooth testing experience.

For In-Person Tests, you will be at one of the **MC Assessment and Learning Centers**, where the MC staff will be available to provide any necessary support, ensuring a comfortable testing environment.
