Vincent Patterson **Conductor**

Vincent Patterson is the founder and Director of the Maryland Band Directors Band. His Doctor of Musical Arts Degree in conducting is from Catholic University, and his degrees in instrumental performance and music education are from Millikin University. In the U.S. Army, he taught at the Armed Forces School of Music in Norfolk where he developed a unique sight reading method to ensure students' success. In 1974 he was accepted into the U.S. Marine Band, *The President's Own*. While in the Marine Band, he founded and directed the professional civilian ensemble *MusicCrafters*, sponsored by the Library of Congress.

He has sung with the Washington National Opera chorus, has been a member of the Choir of Men and Boys at Washington National Cathedral, and the choirs of The National Shrine, St. Paul's Church, and St. Matthews Cathedral. From 1995 to 2010, he was the conductor of the much admired Rockville Concert Band. In addition to being the Principal Conductor of the Maryland Band Directors Band, Dr. Patterson researches ways to combine music and therapeutic modalities for healing.

The **Maryland Band Directors Band** is a unique performance experience for professional music teachers. The band has presented outstanding guest soloists and conductors such as Jonathan Bisesi, Chris Vadala, Amanda Collins, the Peabody Conservatory Brass Ensemble, the American University Saxophone Quartet, the M Street Brass Quintet, Jihoon Chang, Otrie Barrett, Jr., Col. Arnald Gabriel, and eight MBDB member-conductors. The MBDB has done side-by-side concerts with Northwood High School, St. John's College High School, and Quince Orchard High School.

It was created in 2011 by Dr. Vincent Patterson, teachers from the Montgomery County Public Schools, and the Montgomery College Arts Institute in conjunction with the college's Workforce Development and Continuing Education division, Montgomery County Public Schools administrators, and the college's Rockville Music Department. When openings occur, professional music educators and performers may be accepted by interview with the conductor.

Teachers can earn 1.5 continuing education units and graduate credits applicable to Maryland state recertification requirements. Most members are music teachers from MCPS and private schools, and the schools in surrounding counties, including Virginia and the District of Columbia. There are outstanding private studio instructors, former and current military band members and, occasionally, highly skilled students from Montgomery College and local high schools who have been accepted by audition. Three Montgomery College students are on this concert.

2015 Spring Concerts **7:30 pm**

Thursday, February 26, 2015 at MC Cultural Arts Center, Silver Spring
With Bethesda-Chevy Chase High School Symphonic Band
