# 3D DESIGN & SCULPTURE

ALL COURSES OFFERED IN SAFE, FULLY REMOTE OR DISTANCE LEARNING MODES

Students will employ a wide range of formal and conceptual approaches, and media, in an exploration of the interaction between surface, form, space, and time. An interdisciplinary, cross-cultural approach will be utilized in introducing methods, materials and concepts of visual expression within the context of both historical and contemporary visual culture.

**Course offerings for the Spring 2021 semester are in 7.5 modes for students to choose from. Please pay close attention to the dates offered, as some courses start after Spring Break:**
