

ALL COURSES OFFERED IN SAFE, FULLY REMOTE OR DISTANCE LEARNING MODES

A continuation of GDES 210, concentrating on developing a more personal approach to design solutions, conceptual skills, invention, discovery, and perceptual abilities within a communications context. Using both traditional hand and computer technologies, students do a thorough research process on more advanced projects that explore both static and moving formats.

Course offerings for the Spring 2021 semester are in 15 week modes for students to choose from.
