General Information and Instructions

Students selected for the Montgomery Scholars program for the fall 2022 semester will be offered two-year (four academic semesters), full-tuition (30 credit hours per year at the in-county rate*) merit scholarships. Pending funding, and depending on the college's operation status, these merit scholarships will also include the majority of expenses associated with attending a summer study travel experience in the United States (summer 2023).

Scholars Summer Study Travel Experience

Participation in a summer study travel experience is an integral part of the Montgomery Scholars program. The study travel program is designed as an extension of the first-year Montgomery Scholars curriculum and a bridge to the second-year curriculum. As such, it emphasizes scholarship, independence, interdisciplinary links, cultural awareness, and a travel and dorm experience. The Scholars Summer Study Travel Experience is pending funding and dependent on the college's operation status.

Montgomery Scholars Application materials are due by January 20, 2022. Late submission of any required supporting materials may adversely affect consideration of your application. We will accept supporting application materials uploaded by January 20, 2022.

Applications for fall 2022 will only be considered for students who are currently enrolled in their final year of high school and who will be completing high school graduation requirements by August 2022. Applications will not be considered for students who graduated from high school prior to May/June 2022.

Priority for the Montgomery Scholars program and Montgomery Scholars scholarships will be given to residents of Montgomery County. The selection committee will evaluate the Montgomery College transcript and records of high school seniors who currently attend or have previously attended Montgomery College.

College Entrance Exam Scores (SAT or ACT) are optional for your Montgomery Scholars application to be considered.

For Applicants Submitting SAT and/or ACT scores Applicants who took the SAT and/or ACT should upload copies of your SAT and/or ACT scores in your Montgomery Scholars application in Academic Works by the January 20, 2022 deadline.
