

Winter 2020 Extended Blended Online + On-Campus

Blended Classes are conducted partially online and partially on-campus. Participation in both parts is required. Different classes have different on-campus attendance requirements. Be sure to note the requirements listed with each class section below. Many faculty want students to e-mail them immediately after registering.

* If you see a Quality Matters (QM) logo  beside a course, it means the course has been recognized for quality in online course design.
