

CRIMINAL JUSTICE
A.A.S. DEGREE: DEGREE CODE 314
Total Credits: 60
Catalog Edition: 2018-2019

Program Description

The AAS in criminal justice is designed to prepare students for careers within the criminal justice system. The program offers a combination of liberal arts and specialized career courses to help students upon entry into the criminal justice field. The curriculum is offered for those already employed in the criminal justice profession as well as for high school students interested in pursuing careers with local, state, or private agencies within the field. Students are encouraged to seek assistance from criminal justice faculty in making course selections to suit their career goals and interests. Those students interested in transferring to obtain a bachelor's degree from a four-year college or university should consult advisers regarding our AA degree in general studies.

Program Outcomes

Upon completion of this program a student will be able to:

- Demonstrate an understanding of the criminal law and of the criminal justice process (police, courts, and corrections).
- Explain the function and role of various criminal justice practitioners in the operation of an ethical and professional system of justice that exists within a diverse society.
- Analyze the history, functions, policies, and procedures used in each subsystem of justice and creatively offer alternatives to current practices.
- Explain the impact of political and economic considerations as it relates to criminal justice theory, research, practice, and policy.
- Demonstrate the ability to proficiently write about criminal justice issues while utilizing academic sources in an organized and coherent manner.

Notes:

Students are strongly encouraged to explore the multiple professional opportunities in criminal justice and investigate the specific academic, professional, physical and background requirements established by each of the agencies. Many criminal justice agencies have significant background requirements that must be met prior to employment. Students are encouraged to meet with a criminal justice faculty advisor to discuss their specific career and academic goals.
