

CARPENTRY LETTER OF RECOGNITION: 810A

Total Credits: 8

Catalog Edition: 2022-2023

Program Description

(R): 810A

This sequence of two courses is designed for persons who wish to develop skills in the carpentry trade. To complete each course in this sequence, students need to demonstrate skills in specific areas. These areas include: material selection, calculations, framing, stairs, roofing, and siding. A grade of C or better is required in each course.

Program Outcomes

Upon completion of this program a student will be able to:

- Demonstrate the ability to work effectively as a team member within the carpentry trade.
- Describe effectively the roles and responsibilities of a carpenter on a residential construction project.
- Apply practical carpentry skills.
