## From A to B: Pathways to Nursing

For Montgomery College students, numerous pathways can lead to the bachelor of science in nursing (BSN) degree:

- Earn the **associate degree in nursing at MC** and continue studies through an RN to BSN program. MC Nursing students can explore various RN to BSN **transfer agreements**.
- Transfer to a traditional BSN program after the completion of an MC degree program (i.e. General Studies-STEM).
- In addition to the options above, students who have already earned a bachelor's degree in another field can complete prerequisites to transfer to an accelerated BSN degree program.

## ADN TO BSN PATHWAY MC Nursing

### Our Mission

To empower students to pursue the best pathway towards their educational advancement in the Nursing profession.

### Our Vision

Montgomery College will contribute significantly to the increase of BSN-prepared nurses in the region.

## Additional Ways to Finance Your Nursing Degree

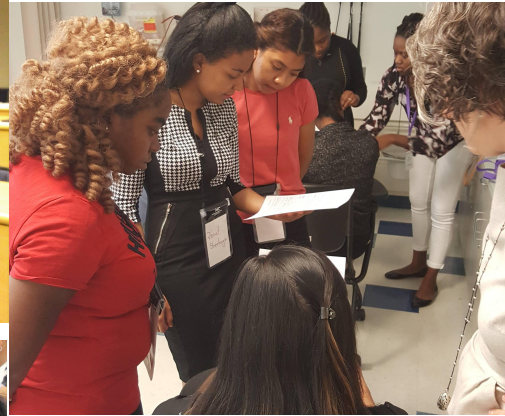

DiscoverNursing.com suggests some employment-based options to pay for a Nursing degree, including:

- Tuition reimbursement
- Residency programs
- Career Ladder programs
- Grow Your Own programs
- Loan repayment

# Summer 2018

## Nursing Immersion Program

The ADN to BSN Pathway program hosted the third summer Nursing Immersion program with 47 participants on June 26th and 27th. Pre-nursing students experienced a day in the life of MC Nursing students through skills labs, an interactive lecture on vital signs, the use of the Barbara Nubile Simulation Lab, and a chat and chew session with current students and alumni. Students also learned about academic progression and careers in Nursing.

The ADN to BSN Pathway program thanks the MC Nursing students, alumni, staff and faculty who contributed to the success of this year's program!

For more information and to view a highlight video of the program, visit:

# Dual Admission Program

Montgomery College

University of Maryland  
School of Nursing

Montgomery College (MC) and the University of Maryland School of Nursing (UMSON) have a Dual Admission Program agreement that offers simultaneous admission to MC's associate degree in nursing (ADN) and UMSON's bachelor of science nursing degree (BSN).

MC nursing students can apply to the Dual Admission Program once enrolled in the MC Nursing program. Accepted students have the option of taking up to two UMSON courses during the third or fourth semester in the MC Nursing program. At the completion of their ADN at MC, dual admission students obtain their RN license and continue their BSN studies at UMSON.

For additional information on the Dual Admission Program, email the ADN to BSN Pathway program: [adntobsn@montgomerycollege.edu](mailto:adntobsn@montgomerycollege.edu)

## MC and UMSON SCHOLARSHIP OPPORTUNITIES

### HEALTHCARE INITIATIVE FOUNDATION ADN TO BSN NURSING SCHOLARSHIP

This award provides scholarship support of \$1,500 each academic year for students accepted into MC's nursing program who intend to earn their bachelor's degree in nursing through the ADN-to-BSN dual admission program at the Universities at Shady Grove (USG).
