Virtual STEM Tutoring Through the VSLC and Starfish

What you need to know:

- Appointment-based (30 minute to 1 hour) meetings over Zoom
- Operated by the Virtual STEM Learning Center (VSLC)
- Appointments are made using Starfish
- Note the user policies stated on the VSLC's Starfish page
- Schedules vary, use the appointment-making process to check availability by course
- Come prepared with work to show and specific questions to ask

How to make an appointment:

1. Access the VSLC's Starfish page
   a. Directly: https://montgomerycollege.starfishsolutions.com/starfish-ops/dl/instructor/serviceCatalog.html?bookmark=service/4086697
   b. Navigate to the VSLC from your Starfish Services page
   c. Scan the QR code!
2. Click on the link to schedule an appointment
3. Select the subject you need help with (i.e. math, chemistry, etc.)
4. Select a date range
5. Select the course you need help with from the drop-down menu
6. You will see all possible appointments. Select a time that works for you!

Once you make an appointment you will receive a confirmation email with a Zoom link. Use this Zoom link to access your appointment at the scheduled time (you cannot access the Zoom room at any other time). As with all STEM tutoring at Montgomery College, come prepared with demonstrated work to show and specific questions to ask!
