Medical Learning Center (MLC)

Montgomery College

Takoma Park/Silver Spring
Campus

What is the MLC?

The Medical Learning Center (MLC) was established in January 2004. It possesses many learning materials to assist students during their time of study at Montgomery College. The Center has state of the art computers, scanners, books, DVDs, anatomy models and a comfortable learning environment.

All students must present their MC student ID card to use resources.
