Articulation Notes:

* Course can be used to satisfy major requirements when completed with a "C" or better

^ Select one course from 3 of the 4 UMBC Distributions below (three total courses). Note that students cannot use more than three courses at the 200-level at UMBC to satisfy UMBC major requirements. Review ARTSYS to determine course level upon transfer.

Foreign Language Requirement: The language requirement consists of completion of a foreign language through the 201 level or demonstrated proficiency at that level. Proficiency, the number of courses needed to complete the requirement, and course placement, are determined by previous experience as follows: 1) completion of level 4 or higher of a language in high school, 2) corresponding AP, IB or CLEP credit, or 3) completion of a language through the 201 level at a regionally accredited college or university. The Shady Grove Foreign Language Credit Limit Exemption allows students to transfer up to 6 credits of foreign language above the 60 credit limit, provided that one of those courses is at the 201-level. Language credits can be completed after matriculation at UMBC at Shady Grove.
