

## Admissions Student Account Instructions

### Create your Account

1. To create an account for the first time, click the link, **“First Time? Create Account”**.

2. The Create an Account page appears. Complete each field with the requested information. **Note:** The fields marked with a red asterisk (\*) are required.

3. After completing the fields, click the Create Account button.

4. The My Account page appears. This page allows you to create a new application, view and update your profile, and view your area of interest.

## My Account

Welcome, Monty, Montgomery College looks forward to welcoming you on campus!

### My Applications

You do not currently have any applications. Click the button below to start a new application.

Need Help?

 240-567-5000 

3. If you need further assistance resetting your password, contact Raptor Central via telephone at 240-567-5000.

## Returning to your Account

If you started an application or completed an application and are returning to your account, complete the following steps.

1. Enter your email address and password.
2. **Optional:** Click the “**Remember Me**” button so the system remembers your email address whenever you return to your account. Also, click the “**Are you signed in from a public computer?**” checkbox to prevent your login information from being saved.

The image shows a login form titled "Welcome Back". Below the title is a link "First Time? Create Account". The form has two input fields: "Email" and "Password". The "Password" field has a "SHOW" button next to it. Below the password field is a link "Forgot your password?". At the bottom, there are two checkboxes: "Remember Me" and "Are you signed in from a public computer?". These two checkboxes are highlighted with a red rectangular box. Below the checkboxes is a large "Sign In" button.

3. Click “**Sign In**” to access your account.
4. The My Account page appears. You can create a new application, view your current application and its status, or finish an incomplete application. You can also view and update your profile and view your Area of Interest.
