#### **Who can apply?**

Any undocumented student that qualifies for the Maryland Dream Act under the following criteria:

- Attended high school in the state of Maryland (public or private) for at least 3 years.
- Student or parent or legal guardian has filed Maryland state taxes for at least 3 years during high school and for every year after that
- Males (18 to 25 yrs) have to register for Selective Service and provide proof (forms available at US post office.)

#### **How do you apply?**

File a Maryland State Financial Aid Application (MSFAA) by completing the following steps:

- 1) **Create an MDCAPS account.** <https://mdcaps.mhec.state.md.us>  
**If you do not have a social security number, enter zeroes.**
- 2) Complete the **MFSAA Eligibility Wizard** before being able to fill out the MFSAA.  
STEPS and tips on answering questions:
  - 1) Select MSFAA (MD State Financial Aid Application for Undocumented Individuals)
  - 2) First question - Are you a US citizen or eligible non-citizen (**answer yes** if you qualify under **Who Can Apply?** –information listed above)

- 3) Second question- Do you or your parent/legal guardian currently have a social security number or individual taxpayer Identification number- **answer yes** if you or your parent/guardian have filed Maryland state income tax.
  - 4) Third question- this question has to do with if you or parents have filed Maryland state income tax for at least 3 years during the time you attended a Maryland high school and for each year after high school completion.
  - 5) Fourth question- this question asks if you have completed a FAFSA form. **Answer no** if you are an undocumented student as you are not eligible to receive federal financial aid and therefore should not file a FAFSA form.
- 3) Once you answer the Wizard questions, if you are eligible to apply, you will then be directed to complete the MFSAA form. **Complete the MFSAA form and submit.**

***What is the deadline?***

You must file the MSFAA form by March 1<sup>st</sup> to be considered for aid in the next academic year (Fall/Spring semesters.)

***Besides the MFSAA form, are there any additional documents required?***

You should monitor your MDCAPS student portal as you will receive important notifications, which may include a request for additional documents, and if financial aid is approved, you will need to accept the award via your student portal.
