MAKE YOUR MOVE
100+ degrees and certificates

1:17 faculty to student ratio

546 four-year colleges and universities in 47 states and Puerto Rico where our students have transferred over the past year

Career enrichment
Flexible course scheduling
Credit for prior learning

11 online degrees
13 online certificates

155+ countries represented by our students, making Montgomery College Maryland’s most culturally diverse community college

9 times in the past 14 years an MC professor has been named Maryland professor of the year

3 competitive honors programs

9 intercollegiate sports—many are nationally ranked
Our multimedia classrooms, studios, and labs are as good as—or better than—those at four-year schools.
steps to enroll

Step 1—APPLY
• Apply for admission. montgomerycollege.edu/apply
• Apply for financial aid by visiting fafsa.gov. (MC school code: 006911) DACA or Dream Act students should complete the Maryland State Financial Aid Application at MDCAPS.
• Complete the Disability Support Services (DSS) intake form (if needed). montgomerycollege.edu/dss
• Complete forms for MD DREAM Act (for those who qualify). montgomerycollege.edu/marylanddream
• Complete the Maryland State Financial Aid Application (MSFAA) mhec.maryland.gov/Pages/MSFAA-FAQS.aspx (if Dream Act eligible).

Note: After you graduate, submit your official high school transcript or diploma to Raptor Central.

Step 2—ACTIVATE
Set up your MyMC account and your MC email.
• Log into MyMC by clicking: MyMC
• To claim your account, you will need:
  - MC Student ID#
  - MyMC ID/username
• Once you are logged in to MyMC, set up your MC email account by clicking on the email icon.
• Submit MC financial aid forms on MyMC and Maryland state financial aid forms at MDCAPS.
• Identify placement requirements at montgomerycollege.edu/assessment
• Complete placement tests (if needed)
  - English or ESL placement
  - ALEKS math placement

Note: Visit montgomerycollege.edu/assessment for more information and to determine if you are exempt from the placement exam.

Step 3—COMPLETE
Access MyMC to complete the following:
• New student orientation (online): montgomerycollege.edu/nso
• Meet with a counselor, click: montgomerycollege.edu/can

Step 4—ACHIEVE
Prepare for the semester.
• Register for classes. MyMC
• Pay tuition and fees. MyMC
• Obtain your MC Photo ID from the public safety office (when normal operations return).
• Obtain your parking pass in Collegewide Services.
• Purchase/rent your books from the MC bookstore.
• Attend class!
Degrees, Certificates, and Letters of Recognition

To earn an associate’s degree, you must complete a 60- to 70-credit combination of courses in a specific track or skill area. To earn a certificate, you must complete a sequence of courses (a minimum of 12 credits) focusing on specific technical skills. To earn a letter of recognition, you must complete six to 11 credits teaching focused skills in specific career areas.

How To Get Financial Aid

Do not let limited resources prevent you from attending Montgomery College. Last year, we awarded $61 million in financial aid to 13,010 students. Montgomery College offers a variety of financial aid resources to help you pay for your education.

Grants—gift aid (free money) based on demonstrated financial need

Scholarships—gift aid based on demonstrated academic merit or potential

Student employment—a job on or off campus that provides a biweekly paycheck to help meet education-related expenses

Loans—assistance from the federal government or a bank that you do not have to repay until you leave college

Promise Scholarship

The Maryland Community College Promise Scholarship is a last dollar scholarship available to students who enroll at a Maryland community college. Eligible students can receive up to $5,000 to cover any remaining tuition and mandatory fee expenses after federal or state financial aid has been applied.

Who May Apply?

A Maryland high school graduate or GED recipient eligible for in-state tuition who is planning to enroll or is currently enrolled as a full-time (12 credits semester for credit-bearing courses) student at a Maryland community college in:
- A credit-bearing vocational certificate/certificate/associate degree program
- A sequence of credit or non-credit courses that leads to licensure of certification
- A registered apprenticeship program

How do I apply?

Submit either the Free Application for Federal Student Aid (FAFSA) OR Maryland State Financial Aid Application (MSFAA) by March 1.

Important Financial Aid Dates to Remember

For more information on the Free Application for Federal Student Aid (FAFSA), visit fafsa.ed.gov

October 1

Save Money on College Tuition

If you are a resident of Montgomery County, your MC tuition will be half the cost of public four-year colleges and universities.

$5,322*
Montgomery College
(in-county rate)

$10,488
Maryland’s public four-year schools
(in-state rate)

$45,996
Maryland’s private four-year institutions

(*based on an average of 30 credits per year for full-time students, 2021-2022)
Start College in High School

Montgomery College’s Dual Enrollment program admits high school students to the College and enrolls them in college credit courses while they simultaneously complete their high school diploma. Students may enroll in a range of courses, provided they meet the College’s Dual Enrollment standards.

Credits earned may be applied to a degree program at Montgomery College or may potentially transfer to another institution.

montgomerycollege.edu/dep

Credit for Prior Learning

You may want to pursue your education at an accelerated pace. At Montgomery College, you can speed up the process by demonstrating that you have knowledge and skills consistent with those learned in college classes. MC awards credit for nationally recognized exams, such as the College Level Examination Program (CLEP) or Advanced Placement (AP) courses. MC also offers internal credit-by-exam options and awards credit for military experience and occupation. In addition, if you have completed an employer-sponsored training program, you may want to investigate whether the American Council on Education (ACE) had evaluated that training and recommended awarding college credit. We also accept credit earned at other accredited institutions.

montgomerycollege.edu/priorlearning

Bridge the Gap Between High School and College

The FYE Summer Bridge Program includes a one-credit course (First Year Seminar: STSU 100) that allows you to experience the college environment prior to the fall term. You should attend the course on the campus where you intend to take classes. You should also commit to enrolling at Montgomery College in the fall semester immediately following the First Year Seminar.

montgomerycollege.edu/fye

Challenge Yourself in the Classroom

Honors Programs

• Renaissance Scholars, a selective honors program, features a rigorous curriculum, scholarship support, special advising, and opportunities to present at conferences and to earn college credit for a summer study/travel experience.

• Montgomery Scholars enrolls 25 outstanding high school graduates each year. This academically challenging program combines a rigorous curriculum of honors courses, special advising, and an honors capstone research project.

• Macklin Business Institute (MBI) Honors Program offers experiential learning and internships in economics, statistics, and other core business courses, allowing students to build relationships with faculty and local corporate executives.

• The Scholars Circle for students taking honors classes offers academic and scholarship advising, opportunities to present at conferences, honors internships, and Honors Program transcript notation with 15 honors credits.

montgomerycollege.edu/honors

Special Programs

Montgomery College is home to several special programs designed to enhance your learning experience and better prepare you to earn a bachelor’s degree.

• Achieving Collegiate Excellence and Success (ACES)

• Achieving the Promise Academy (ATPA)

• Arts Institute

• Combat2College

• Culturally Responsive Educators Aspiring for Teaching Excellence (CREATE)

• Disability Support Services

• English Language for Academic Purposes Program

• Global Humanities Institute

• Graduate and Transfer Science, Technology, Engineering, and Math Talent Expansion Program (GT STEP)

• Gudelsky Institute for Technical Education

• Health Sciences Institute

• Institute for Race, Justice, and Civic Engagement

• International Education and Study Abroad Program

• Paul Peck Humanities Institute

• Phi Theta Kappa

• Southern Management Leadership Program

Adult Students
Whether you want to start college, complete your degree, or change careers, you can join thousands of adult learners—from 25 to 95—on one of our campuses. We offer day, evening, online, weekend, and accelerated classes to fit your busy life. We provide advising and counseling sessions targeted to adult students, tutoring centers, and special orientation sessions.

montgomerycollege.edu/adultlearner

Veterans and Active/Reserve Military Students
Our Combat2College (C2C) program provides academic and social opportunities, resources, and services for veterans and active/reserve service members. C2C provides identified counselors for academic advising, activities and events, wellness opportunities, and referral/coordination with the external agencies for services and resources.

montgomerycollege.edu/combat2college

Students with Disabilities
The College promotes full participation and equal access to the educational opportunities, programs, and activities for students with disabilities. Disability Support Services provides these services in accordance with the provisions of the Americans with Disabilities Act as amended of 2008 and Section 504 of the Rehabilitation Act of 1973.

montgomerycollege.edu/dss

Employment, Internships, and Career Services
MC provides a range of services to students and alumni to support the career planning and employment process. This includes access to career exploration information, opportunities for hands-on experience, and support for the job search process. Our staff will work with you to update your resume, prepare for interviews, and help you find the internship or job opportunity you are seeking.

montgomerycollege.edu/careerservices

“MC will help you reach your full potential.”
—Kinsey G.
You can participate in clubs, groups, student government and professional organizations, newspapers and literary magazines, radio stations, and performing arts groups. These groups provide leadership and volunteer opportunities—and they look great on a resume. Here are some examples of our 100-plus clubs:

• Chess Club
• Minority Scholars
• African Students Association
• Latino Student Union
• Muslim Students Association
• Student Senate
• Globe Newspaper
• Art Society
• Environmental Club
• MC Pre-Med Society

montgomerycollege.edu/studentlife

Virtual Study Abroad

A number of opportunities and global experiences are currently available with Virtual Study Abroad and Global Internships. The College remains committed to providing students opportunities for rich cultural experiences and will continue to post updates for future programs as they become available.

Study Abroad Returning Fall 2023

See the world, receive a world-class education, and dive into the global economy. Montgomery County has a large and diverse ethnic population, which is reflected in enrollments at the three Montgomery College campuses. The College mission to bring a greater awareness of global perspectives to the student body and community led to the development of an International Education program. This program provides opportunities through a variety of activities including long-term (semester and year), short-term (during winter, spring, and summer breaks), in-country/off-campus study, and more to foster a greater understanding and appreciation of other cultures.

montgomerycollege.edu/studyabroad
Our athletic programs for men and women feature several nationally and regionally ranked teams, plus intramural, and just-for-fun sports, including cheerleading.

As a member of the National Junior College Athletic Association (NJCAA) and the Maryland Junior College Athletic Conference (MDJUCO), our teams compete against Maryland and East Coast two-year colleges, as well as other institutions in Division I and II, depending on the sport (see below). As of July 1, 2018, we changed our division status and we now offer grant in aid. MC fields nine teams in intercollegiate sports, and a noncompetitive co-ed cheerleading squad.

**Women’s**
- Basketball (Division II)
- Outdoor track and field (Division I)
- Soccer (Division I)
- Softball (Division II)
- Volleyball (Division II)

**Men’s**
- Baseball (Division II)
- Basketball (Division II)
- Outdoor track and field (Division I)
- Soccer (Division I)
