Date: October 5, 2020

Good afternoon. There are several new COVID-related resources to which I want to call your attention. The county has a new round of [financial assistance](#) available for those struggling with severe hardship. Food resources are also plentiful through the county, including several drive through, [grab-and-go events](#) scheduled. One is right on our [Germantown Campus](#), through our Mobile Markets partnership this Wednesday, October 7. I want to give a shout out to the Student Health and Wellness (SHaW) Center for distributing 80 bags of food last week to international students, who are not eligible for CARES assistance. Radical inclusion means everyone.

Speaking of community, there is a need for [election judges](#) locally. Please look for upcoming communications about options for taking leave to participate.

As we continue to see COVID-19 infections, I ask you to please remember to practice social distancing and wear a mask.

Have a wonderful week.
