Subject: CARES funding and Student Nurse Day
Date: May 8, 2020

Good afternoon. As we come to the end of week seven, many of you are wrapping up exams and final projects, I want to remind you that the College is cheering you on. We're also supporting all of the nurses in our midst and especially our students on National Student Nurse Day. For some good news on the Coronavirus Aid, Relief, and Economic Security (CARES) funds and the ongoing face shield project, please see [my video](#). Don't forget to look for the fall course schedule which comes out on Monday, May 11, along with more details about our summer and fall planning.

Although Governor Larry Hogan re-opened the sites of some outdoor recreational facilities this week, please remember to wear face coverings and continue to practice social distancing. The coronavirus is still among us so we need to protect ourselves by continuing to follow hygiene practices strictly. Have a safe and healthy weekend.
