‡ Select any accounting course numbered 209 or higher (except AC 219/ACCT 239), or a statistics course (BA/BSAD 210 or MA 116/MATH 117).

Overall GPA of 2.0 is required to graduate

Total Credits:

This curriculum is designed to prepare career students in accounting for employment. It is suitable for the needs of business enterprises, nonprofit private organizations, and all levels of government. Graduates may find employment in such departments as accounting, finance, treasury, auditing, tax, cost, and systems. Completion of all requirements for this curriculum will lead to the AAS. in accounting.

Last Modified: June 2015

This curriculum is not intended for transfer to a four-year college or university. Students interested in a baccalaureate degree in accounting should enroll in the business transfer program.

Advising Worksheet
Contact: [Anthony Solano](#)

For students who have a baccalaureate degree, the accounting courses included in the curriculum fulfill some of the course requirements to sit for the Certified Public Accountant (CPA) examination. All additional course requirements are offered by the College. Students should contact an academic adviser for more information. Requirements to sit for the CPA examination vary by state. Consult your State Board of Public Accountancy for current requirements.

A suggested course sequence for full-time students follows; part-time students should consult an adviser.

See an advisor to submit an Application for Graduation the semester BEFORE you intend to graduate.

This UNOFFICIAL document is for planning purposes ONLY and completion does not guarantee graduation.

This degree is a career program and may not readily transfer to four year colleges/universities (except in special cases.) Visit transfer planning for more information.
