Welcome to Starfish ®

Starfish provides you with a central location to connect you with some of the people and services in your support network at Montgomery College.

To get started, log in to Starfish (requires login to MyMC) and click on the navigation menu in the upper left-hand corner.

Set up your Profile

Set up your student profile. Your profile lets people included in your Starfish support network know who you are and how to contact you.

1. Open the navigation menu and click on your name, and then Edit Profile to open your profile.

   From here, you can customize your profile by uploading a photo, and adding an alternate or secondary email address for receiving emails sent by the Starfish system.

2. Select the Notifications tab update your notification preferences.

3. Once you have made your desired changes to your profile, click the Save Changes button to save your updates.

Messages

Select Messages to display messages sent to you in Starfish. Click on any message in the list to display the full contents of that message.
My Success Network

Select **My Success Network** from the navigation menu to display your network. For each person or service listed, you will find contact information, supporting websites, and, if online scheduling is enabled, a link to **Schedule Appointment**. If a service includes a waiting room for walk-in appointments, you can click the “Waiting Room” link to find out how many students are currently in line.

The Services that are most relevant to you are displayed first. Select **Show Other Services** at the bottom of the page to see additional services.
Make an Appointment

1. From the My Success Network, click the ellipsis beside the name of the person you want to schedule an appointment with, and then select Schedule.

   For Services where appointments are available, select Schedule for the desired service.

2. Select the type of appointment you want to schedule and choose a reason from the list.

3. Adjust the date range as needed to find days and times that work for your schedule, and then select a time from the list.
4. Complete your sign up by adjusting any details, such as duration or course, where applicable, and add a description for why you want to meet.

5. Click **Confirm** to finish scheduling the appointment. A confirmation page displays allowing you to make changes to the appointment or jump to another page. Additionally, you will get an email with the appointment details and the appointment will be listed on the **Upcoming** tab.

---

**Change an Appointment**

On the **Upcoming** tab, you can view scheduled appointments and make changes. Click on an appointment to make changes to it, such as changing the location or duration, when available. You can cancel the appointment by clicking the ellipsis ••• and selecting **Cancel appointment**.
Stay on track

Dashboard

Your Dashboard also displays upcoming appointments as well as date-based tasks on the left to help you plan your week. The right-hand column of your Dashboard highlights items that may require your attention and may include alerts, recommended referrals to campus support offices to help you succeed, and kudos.
Degree Plans

Select **Degree Planner** to view, and/or manage your academic plan. In order to create a plan for an official program of study, you must first work with a Counselor/Advisor. However, you may use the Degree Planner academic planning tool to create a plan under one of the fields of study.

Not sure what you need?

Request Help

Select **Request Help** from the navigation menu to see information about where to go for assistance.

From here, you can select **Help Me** to submit a request for help. You will be asked to provide additional information such as the type of help you are requesting and a description.

![Request Help Image]

We encourage you to make your description as detailed as possible to insure you get the appropriate help needed. Click **Submit** to submit your request when done.
