

Tuesday, October 17, 2023 | Advising Day

Chemical and Biological Sciences

Sessions Open to All Majors

STEM Major 101 Workshop

Are you interested in STEM? Learn more about STEM majors and when the General Studies STEM degree option. Maximize your transfer options through course s

9:30 – 10:30 AM: [Teams Meeting](#)

REUs and Internships Workshop

What are REUs and SURFs? Learn how to find student internship opportunities and hear from MC students who have done research and internships

10:30 - 11:30 AM: [Teams Meeting](#)

Health Professions Advising

Are you interested in becoming a doctor, pharmacist, dentist, vet or health professional?

12:00 – 1:00 PM: Register and join zoom session [here](#)

Getting Started in Chemistry

Are you ready to take CHEM131? Learn what you need to register and how to be best prepared to start and succeed CHEM131!

2:00 - 3:00 PM: Register and join zoom session [here](#)

Tuesday, October 17, 2023 | Advising Day

Chemical & Biological Sciences

Major-Specific Advising – Open to All

Biological Sciences, Environmental Science & Policy, Bioinformatics and Gen Studies STEM

Schedule Your Advising Appointment [here](#) with one of our biology faculty OR

11:00 AM – 1:00 PM: Drop-In Advising – Rockville campus, Science Center 108. *Free Pizza!!*

Biotechnology

1:00 – 3:00 PM and **6:30 – 7:30 PM** Drop-in Advising [here](#) and

Biotechnology Open House – Lobby of Bio-Education Building (BE), Germantown Campus

Chemistry & Biochemistry

11:00 AM – 2:00 PM: Drop-In Advising – Register and join [here](#) any time

OR schedule an individual advising appointment with one of our chemistry faculty [here](#).

STEM Scholars Advising

11:30 AM – 1:00 PM: In-person individual advising on each campus

Germantown Campus: **Dr. Chen, BE200**

Takoma Park campus: **Dr. Monzo, MP144**

Rockville campus: **Dr. Dong, MT212**
