### **History**

- Provide academy support to students
- Asian Americans League
- Files in teams

### **Development of Committee/Taskforce: Structure, Objectives, Outcomes, and Logistics**

- **Committee**
  - has more leeway in tasks and goals
  - does not need approval from President's Office
  - no time limit
- **Taskforce**
  - greater accountability in meeting objectives
  - must be approved by President's Office
  - would fall under department/unit/office
  - approval from Senior Administrator Leadership Team (SALT)
  - has time limit
- **HSI Taskforce**
  - DFW for Hispanic populations
  - Many Hispanic students are in deep poverty
  - Success of Hispanic employees
    - Lack of Hispanic faculty and administrators
  - Information from College's data
- **AANAPISI Outline**
  - form a taskforce to identify issues (bullets) that are of concern for employees and students

- once these issues are identified, create a committee to work on finding “solutions”
- Get data for employees and students
  - Student Success (DFW, Enrollment, etc.)
  - [Employee Data](#)
