

The AANAPISI Student Club's goal is to bring awareness of our Asian American and Native American Pacific Islanders students at Montgomery College. We provide resources to help our AANAPISI students thrive, be successful, and reach their professional and personal goals at the College and surrounding community.

# AANAPIS Student Club

## Missions and Goals

- Explore resources and services students may need to enhance their holistic experience at MC.
- Explore mentoring opportunities for students.
- Explore professional development opportunities (conference, webinars, local events, etc.) for students.
- Explore opportunities to engage in community events.
- Explore opportunities to engage in collegewide events (e.g., AANAPISI Week, Asian Pacific Heritage Month).
