TESTIMONIALS

"Through his work, Coach Rice is always authentic and professional. However, he is also very genuine and will share feedback with you in the most nurturing but firm way to ensure your success. He has been extremely successful impacting high school and college students, faculty and staff through his powerful public speaking, consulting and high energy. Coach Rice is passionate, knowledgeable and highly capable with his craft as an educator and change agent in higher education."

Joelle Carter Davis
Dean of Student Development
Piedmont Community College

"Coach Rice did an excellent job motivating our students as they prepare to be on track for attending college at the University of Minnesota or any other higher ed institution. He provided them with a 'Game Plan' for success which gave them helpful tips on how to keep track of their goals and aspirations. I highly recommend Coach Rice for any audience that needs to be encouraged or reminded that they are their own best advocates."

Shakeer Abdullah, PhD
Vice President of Student Affairs
University of Minnesota

"There are not enough words to best describe the character and wisdom of Coach Rice. He is always ready and willing to mentor and coach other without hesitation-equally respecting all people whether they are older, younger or a peer to him."
