

Dual Enrollment Information Sheet AY 2019-20

FOR NON-MCPS HS STUDENTS ONLY

Home Schooled, Private Schooled, Out of State and other Maryland Public Students

Overview:

The Dual Enrollment Program is available to advanced high school students at Montgomery College (MC). Select students, accepted to MC, are enrolled in college courses while still attending high school, providing an educational experience beyond what is available at the secondary level. High school juniors and seniors who meet the College's Dual Enrollment (DE) standards may enhance their schedule with college course work and experience the independence of college-level study while also earning college credit.

Dual Enrollment enables high school students to:

- Register and attend a Montgomery College course(s) on campus, online or at their high school site
- Engage with outstanding college professors and their peers in a collegiate classroom setting
- Graduate from high school with earned college credit
- Potentially save money on college tuition
- Accelerate college completion
- Gain additional skills and confidence needed to succeed in college

Students may enroll in a variety of courses at the college, provided they meet the Dual Enrollment standards. The credits earned may be applied to a degree program at Montgomery College or may potentially be transferred to another institution.

Eliaibility Requirements:

For standard admission through Dual Enrollment, students who are at least 16 years old will:

- 1. Have completed their sophomore year prior to their participation in the program.
- 2. Have an articulated plan for high school and college attendance during their junior and/or senior years which will include all courses required for high school graduation with time remaining in the schedule to include college courses.
- 3. Have an overall 2.75 (unweighted on a 4 point scale) cumulative grade point average at the end of their sophomore year or an overall 2.50 (unweighted on a 4 point scale) cumulative grade point average at the end of their junior year (verified by an official copy of their most recent high school transcript).
- 4. Have met the prerequisite requirement(s) and assessment level(s) for each credit-bearing course they enroll in. Dual Enrollment students may not enroll in developmental courses or courses that combine developmental and college level work. All College students, including DE students, must test at a minimum reading level to be eligible to take any college course.
- 5. Have the approval of a parent (or guardian), high school counselor, and principal (where appropriate).

Exceptions (under extraordinary circumstances):

- Students who are at least 16 years old and enrolled in a public or private school, or equivalent, and who do
 not meet the requirements above, but whose achievement in a certain field of study is clearly exceptional
 may be admitted on a case-by-case basis. This achievement may be documented through testing or other
 means deemed necessary by the appropriate dean, department chair or faculty, and it must surpass the
 level of courses offered by the school attended.
- 2. Students under age 16 by the first day of their initial entry term and each subsequent term must meet the prerequisite requirement(s) and assessment level(s) for each credit-bearing course they enroll in. The approval of the appropriate College official is also required for first time participants. A meeting referral will be provided to the student through the Dual Enrollment Office at the appropriate time.

Dual Enrollment Information Sheet AY 2019-20

Procedures for Admission and Registration:

Step One:	EDUCATION PLAN: Meet with your high school counselor to discuss your overall education plan to
	include your high school program of study and the college course(s) you wish to take.

Step Two: ADMISSIONS APPLICATION: Submit an MC credit Admissions application through the college's online application system. MC will notify you with admissions verification and next steps. You will be admitted to MC, but must meet the Dual Enrollment requirements in order to be eligible to enroll in college courses as a high school student.

Step Three: DE APPROVAL FORM: Obtain the written approval of your requested college courses on the completed Dual Enrollment Approval form from a parent (or guardian) and high school counselor.

Step Four: DOCUMENTS: Submit the completed Dual Enrollment Approval Form and your most recent official HS transcript to your designated MC Academic Coordinator. <u>Home schooled</u> students must also obtain home school verification from their local school system.

Step Five: ASSESSMENT TESTING: Students with qualifying SAT or ACT scores may submit directly to MC. All others must take the College Board's ACCUPLACER/ESL test through MC. Test authorization required. Students seeking testing accommodations must register through MC's Disability office.

Step Six: ACADEMIC ORIENTATION: First-time applicants must complete the Academic Orientation and submit proof of completion to their designated MC Academic Coordinator.

Step Seven: COURSE PLACEMENT: MC Academic Coordinator will provide Dual Enrollment program status to student, including placement results and registration options. MC Counselors are also available to help students select courses that will lead towards a degree and/or transfer to a four-year institution. Students seeking course accommodations must also register through MC's Disability office.

Step Eight: REGISTRATION: Submit a Dual Enrollment Credit Registration/Schedule Change form to your designated MC Academic Coordinator. MC Academic Coordinator will register as appropriate and mail student a schedule and bill.

Step Nine: PAYMENT: Pay all required MC tuition and fees, in accordance with the college's payment deadlines. Students seeking financial assistance must apply, complete all steps and verify status of funding prior to start of class.

ProgramRegulations:

- 1. Dual Enrollment (DE) students are subject to all Policies and Procedures as well as Academic Regulations and Standards of Montgomery College.
- 2. The College reserves the right to make the final decision on admission. Final decisions will rest with the College in accordance with the policy, guidelines, and procedures for admissions.
- 3. DE students are eligible to take most college level courses for which they qualify. DE Students must meet the prerequisite requirement and assessment level(s) for each enrolled credit-bearing course and must test at a minimum reading level to be eligible to take <u>any</u> college course. DE students may not enroll in developmental courses or courses that combine developmental and college level work.
- 4. DE students may be approved to enroll in college credit courses during fall, winter and spring semesters.
- 5. Students are responsible for purchasing any required textbooks, materials and supplies associated with their registered course(s).
- 6. DE students under age 16, by the first day of their initial entry term will be referred by the DE office to be interviewed by the appropriate College official to obtain an exception to the age requirement;
- 7. Earned college credit may not be used to fulfill the credit requirement for the high school diploma unless approved by the HS principal or designee.
- 8. Continued eligibility to participate in dual enrollment is contingent upon successful completion with a minimum grade of "C" or better in previous college course(s). Students who withdraw with a "W" on their transcript may also be ineligible for future participation. Students must continue to meet the dual enrollment standards and follow the same procedures for enrollment. Student must also satisfy all financial obligations to MC prior to enrollment.
- 9. Students MUST submit all appropriate documents including their most recent transcript, a Dual Enrollment Approval Form and DE Registration/Schedule Change form with appropriate signatures for each semester they intend to take college courses. Registration will not occur until all steps are complete and all documents are received by the College.

Academic Coordinator:

Home Schooled, Private Schooled, Out of State and other Maryland Public Students

General Information:

Dual Enrollment (DE) students seeking to register for a college course must complete and submit a DE Registration/ Schedule Change Form directly to your designated MC academic coordinator within the Office of Academic Initiatives.

Students may only register for an approved college course listed on their signed Dual Enrollment Approval form. DE students must meet the prerequisite requirement and assessment level(s) for each enrolled credit-bearing course. DE students may not enroll in developmental courses or courses that combine developmental and college level work. DE students may not audit a course.

Prior to submitting the DE Registration/ Schedule Change Form, students must meet the program criteria and have:

- Submitted all Dual Enrollment documentation including DE Approval Form and official HS Transcript to their designated MC Academic Coordinator
- Submitted qualifying SAT/ACT scores or has appropriate ACCUPLACER/ESL scores on file with MC.
- Submitted MAP Certificate to their designated MC Academic Coordinator

Steps to Register for a College Course:

COLLEGE COLLEGE

- Student must obtain assessment test results and course placement information from Montgomery College.
- Student determines which previously approved course they qualify for and would like to take by reviewing the Schedule of Classes for all courses offered on an MC campus or through Distance Learning.
- Student lists the requested and alternate courses (with CRN) on the DE Registration/ Schedule Change Form
- Student meets with their HS counselor to finalize schedule and obtain approval on the DE Registration/Schedule Change
- Student submits form to their designated MC Academic Coordinator. 5.
- MC Academic Coordinator will review and register student as appropriate.
- MC Academic Coordinator will mail registration letter and schedule/bill to student once registered.

WITHDRAWAL/ FINANCIAL RESPONSIBILITY

Registration for a class creates a binding financial obligation that must be paid in full unless a student officially withdraws from the class prior to the published deadline. To obtain a refund, a course must be officially dropped by the refund deadline. The refund deadline for each course is listed on the student schedule/bill and in My MC; refund deadlines vary by course. It is the student's responsibility to officially drop a course if they no longer wish to attend. Non-attendance or failure to pay does not constitute an official withdrawal. Withdrawal requires submission of a new DE Registration/ Schedule Change form and will be effective the date received by the College.

Directions to Fill Out Course Registration Form:

- **TERM:** Choose the term that you are registering for. A separate form is needed for each term.
- Part I: Student Information: Complete entire student profile information section
- Part II: Course Requests- List of first choice(s) for course registration
 - > Course/Lab column: Total # of courses requested. If only interested in taking one course then leave the second row blank and list alternate courses in Part III. Use the third row for any lab required with the course section.
 - Reg. Status: Check "add" to register for a course. Check "drop" to withdraw from a previously registered course.
 - > Course Number: List the course(s) by course number (i.e. ENGL101, BIOL130, etc.) Based on the course number listed on student's confirmed DE Approval Form.
 - > CRN: unique 5 digit number that identifies the date, time and location of course
 - Meeting Days: Check the days of the week that the course meets
 - M-Mon, T-Tues., W-Wed, R-Thurs., F-Fri., S-Sat., DL-Distance Learning/Blended
 - ➤ Meeting Times: input the time during the week that the class meets
 - > Credit Hours: input the total # of credits for the course
 - ➤ Course Location: Input the location where the course is offered:
 - HS-High School Site, GT- Germantown Campus, RV- Rockville Campus, TP/SS- Takoma Park/Silver Spring
 - > Campus, USG- Universities at Shady Grove, DL- Distance Learning/Blended
- Part III: Alternate Course Requests- List of alternate choices if first choice is not available.
 - Follow instructions from Part II listing alternate course requests
 - **Signatures:** Both the student and a HS Counselor must sign and date form.
