Do you love to teach?

- Silver Knights Chess is looking for people who want to make a positive difference in the lives of elementary school children. We have taught chess to nearly 100,000 children in our 15-year history. Come join us!

You will be a great fit if you:

- Play chess! You don’t have to be a master-level player, but you do need interest and enthusiasm.
- Want to work with children (ages 5-11).
- Are available to work part-time during "after-school" hours.
- Have experience as a camp counselor, tutor, teacher, coach, instructor, or previous preschool or daycare experience.
- You will receive thorough, paid training on how to help children learn chess.
