

# Calling All International Nursing Students

## ***Come Learn about WorldWide HealthStaff Solutions***

Join us for an informational session with WorldWide HealthStaff Solutions. Come learn about one of the leading international healthcare recruiting firms in the USA. Retrogression makes it more difficult – but not impossible for international graduates to obtain work authorization beyond their OPT period with an interruption in their ability to work. We are partnered with award-winning healthcare employers across the country who are looking for **international nursing student graduates**. Please attend if you are interested in a **DIRECT HIRE** position that includes green card sponsorship.
