WE BUILD TO LAST

An industry leader for more than 88 years, **Balfour Beatty** provides general contracting, at-risk construction management, and design-build services for a wide variety of markets, serving clients in both the public and private sectors. With more than \$5B annual revenue and 4,500+ people across the country, the company has been consistently cited as a top-ten Domestic Builder by Engineering News-Record.

Balfour Beatty serves the Mid-Atlantic markets (primarily in D.C., Virginia, Maryland, and Pennsylvania) from our division headquarters in Falls Church, VA, founded in 1933. The **Mid-Atlantic team** is led by Division President Mike Phillips and employs 270+ professionals. We offer the strength of a national firm with the service of a local group, and specialize in partnering with sophisticated customers to tackle challenging and unique projects.

Balfour Beatty is a U.S. subsidiary of London-based **Balfour Beatty plc**, a leading international infrastructure group that finances, develops, builds, and maintains complex building programs focused on social and commercial buildings, power and utility systems, and transportation.
