- Thrive in a people-driven international company with countless opportunities to learn and grow

About Skanska

Skanska is one of the world's leading construction and development companies. Skanska's core operations in the U.S. include building construction, civil infrastructure and developing self-financed commercial properties. In 2020, construction in the U.S. generated \$6.5 billion in revenue, and as a developer in the U.S., Skanska has invested a total of \$2.8 billion in commercial and multi-family projects. With U.S. headquarters in New York City, Skanska has 29 offices with 7,600 employees nationwide. An industry-leading innovator in both safety and project execution, Skanska offers competitive solutions for traditional and complex assignments that build a more sustainable future for our customers and communities. Global revenue of parent company Skanska AB, headquartered in Stockholm and listed on the Stockholm Stock Exchange, totaled approximately \$17.2 billion in 2020.

EEO Statement

Skanska is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to status as a protected veteran or a qualified individual with a disability, or other protected status, such as race, religion, color, national origin, sex, sexual orientation, gender identity or age.
