

Suicide Prevention Month

Suicide is the 10th leading cause of **death** in the US and is on the rise. Many people of all ages and ethnicities have **suicidal** thoughts, which is why it's so important to learn what warning signs to look out for and how to talk to someone you think might be **suicidal**.

Want a chance to win some prizes? Come visit our tables to learn more about suicide prevention and local crisis hotlines from EveryMind and Montgomery County Crisis Center professionals.
