STUDENT BASIC NEEDS PROGRAMS

Montgomery College promotes student success by providing a variety of basic needs resources that support students' health, wellness, and everyday needs. These services include a monthly Mobile Market, hygiene products, campus food pantries offering food and snacks, and food lockers for convenient grocery pickup. Students can also access Stay Smart Kits, which provide safe-sex resources and information about contraceptive options, including condoms, Plan B, and Opill. In addition, the MC Campus Closet provides free clothing to students who need it.
