**Subject:** Message to MCPS Principals

This is the message that is going to principals. This will go out in MCPS's central administration's daily virus update.

### **MCPS Dually Enrolled Students at Montgomery College**

MCPS is collaborating with Montgomery College (MC) to provide you with updates from the college as it relates to students who are dually enrolled. For the most up to date information, please see the MC website at the following link: <https://tinyurl.com/MC-Coronavirus-update>

Below are a few bullets related to MC's current plan for college instruction and who to contact with questions:

- During the week of the Montgomery College scheduled spring recess, March 16th -20th, classes will not be held; however, the college will be opened as faculty and staff will work remotely to assist students and plan for instruction.
- From March 23rd to April 3rd, classes will be delivered to all MC students (including dually enrolled high school students) remotely. In addition, a few labs or academic learning spaces will be opened on the campuses to provide support for faculty and students.
- All MC students and Dual Enrollment Program Assistants (DEPAs) have received a direct message with MC's emergency plan outlined from the college. Students have been encouraged to communicate directly and remotely with their professors regarding assignments and instructional plans.
- We will continue to collaborate with our MC partners regarding our dually enrolled students and their decisions for the college instructional program. For additional information, students will need to communicate directly with their college professor or check the MC website. Questions regarding dual enrollment may be directed to Mr. Akima Rogers, director of Dual Enrollment at MC via email at [Akima.Rogers@montgomerycollege.edu](mailto:Akima.Rogers@montgomerycollege.edu) or Dr. Genevieve Floyd, supervisor of Career and Postsecondary Partnerships at [Genevieve L Floyd@mcpsmd.org](mailto:Genevieve_L_Floyd@mcpsmd.org).

Elena Saenz, EdD

Associate Senior Vice President for Academic Affairs

Montgomery College
