Memorandum

To: Academic Affairs Division
From: Dr. Deidre Price, Senior Vice President for Academic Affairs/College Provost
Subject: **Academic Affairs Division End of Year Events Schedule for May 20, 2025**
Date: May 20, 2025

Good morning! I am writing to share this brief reminder of our division's events today. Locations for the dean and discipline meetings held today, May 20, are attached, and the times for these meetings are listed below. Following these meetings, you are invited to attend a campus picnic to enjoy time with colleagues as we near the finish line for spring semester.

Dean Meetings:	9:00-10:00 a.m.
Discipline Meetings:	10:15-11:30 a.m.
Campus Picnics:	12:00-1:30 p.m.

As previously shared, the **Academic Affairs Closing Meeting**, which includes an update from me as well as all three academic units, is available for on-demand viewing at this [link](#). This can be viewed starting today or anytime during Professional Week. We are pleased to close out the video with the sharing of many of the accolades and recognitions provided by faculty, staff, and administrators on the form we sent out this spring. Thank you for your contributions to help us recognize the many incredible achievements of our students, faculty, and staff this past year. As we join to celebrate another year of remarkable student success, we are also celebrating the ways in which the Montgomery College team makes possible these success stories and memories that students will last for a lifetime. Thank you again for all you do.
