Courses with On-Campus Sessions

Fall 2020

Automotive Technology

- AUTO 099L Basic Automotive Technology
- AUTO 101L Introduction to Automotive Technology
- AUTO 111L Engine Repair
- AUTO 130L Manual Drive Train and Axles
- AUTO 140L Suspension and Steering
- AUTO 150L Brakes
- AUTO 161L Automotive Electricity
- AUTO 180L Basic Engine Performance
- AUTO 262L Battery/Starting/Charging

Biotechnology

- BIOT 120L Cell Culture and Cell Function
- BIOT 200L Protein Biotechnology
- BIOT 230L Basic Immunology and Immunological Methods
- BIOT 240L Nucleic Acid Methods

Building Trades

- BLDG 140L Fundamentals of Carpentry
- BLDG 150L Fundamentals of Electric Wiring
- BLDG 160L Fundamentals of Plumbing
- BLDG 170L Fundamentals of Refrigeration
- BLDG 172L HVAC Electricity
- BLDG 184L Solar PV Design and Installation
- BLDG 242L Remodeling and Interior Finishing
- BLDG 250L Residential Electrical Wiring
- BLDG 271L Heating Systems
- BLDG 273L Air Conditioning and Heat Pump Systems
Physical Therapy Assistant

- PHTH 102L  Basic Health Skills for the Physical Therapy Assistant
- PHTH 104L  Surface Anatomy, Palpation, and Massage
- PHTH 206L  Measures and Interventions for Clinical Problems II

Polysomnography

- POSM 201L  Polysomnography II
- POSM 202  Clinical Practicum II

Radiologic Technology

- RADT 125  Clinical Radiology IV
- RADT 211L  Radiographic Positioning III

Surgical Technology

- SURG 100L  Introduction to Surgical Technology
- SURG 101L  Surgical Technology I
