This is an update to the 2017 Annual Security Report that was communicated to the College community on September 26, 2018.

On September 28, 2018, the data that is reflected in the 2017 Annual Security Report was revised to reflect corrections to the 2017 crime statistics that were published on September 26, 2018. The Annual Security Report provides the most comprehensive information on the campus policies and procedures for campus safety.

Please be aware that in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), the 2017 Annual Security Report is now available. The report covers information for calendar years 2015 through 2017, and is accessible on the College website at <http://www.montgomerycollege.edu/Securityreport>. The report is in pdf format.

The report contains statistics for the previous three years concerning crimes that occurred on campus, in certain non-campus (off-campus) buildings or property owned or controlled by the College, and on public property within or adjacent to the College campuses. The report also includes College policies concerning campus security, such as crime prevention, reporting of crimes; timely warnings; emergency response and evacuation; and policies concerning alcohol, drug use, and sexual offenses.

Paper copies of the report will be provided upon request. For a copy, please visit your campus Public Safety Office or contact Shawn Harrison, Director of Public Safety & Emergency Management.
