

## Fall 2018 Fully Online

Blended Classes are conducted partially online and partially on-campus. Participation in both parts is required. Different classes have different on-campus attendance requirements. Be sure to note the requirements listed with each class section below. Many faculty want students to e-mail them immediately after registering.

\* Some of your faculty have created Course Information Page (CIP) for the course they are teaching. You will be able to find information such as textbook, contact information, and other requirements into their CIP. Courses with CIP are visible in the comments. You can also visit, <http://cms.montgomerycollege.edu/distance/cip>, to see if a CIP is available for the course you want to register.

\* If you see a Quality Matters (QM) logo  beside a course, it means the course has been recognized for quality in online course design. For more information on what QM is, please visit <http://cms.montgomerycollege.edu/distance/faq/whatis/#4>
