

TP/SS WORKGROUP MEETING

Date: Friday 4/10/2020		Start Time: 10:00am	End Time: 10:50am
Presiding: Phil Bonner		Recorder: Corinne Smith	
Attendees: Corinne Smith, Tonya Camp, Richelle Charles			
AGENDA LIST/TOPIC	DISCUSSION AND RECOMMENDATIONS		
Checking In	Phil asked how everyone was doing with working from home and remote teaching. He reported that Zoom versions of training are in process and there has been an uptick in attendance at the Zoom meetings. Much has been canceled including the Women’s Symposium and the Love of Teaching Conference.		
Brainstorming	Phil asked if anyone has ideas for Zoom trainings for April and May. Corinne suggested ELITE put out a call for abstracts to the faculty and staff rather than waiting for people to complete the I Have An Idea for a Workshop form. Phil said he will bring the idea of a call for abstracts to Mike Mills at the FA/ID meeting. Workshop ideas: • Coordinating/engaging embedded tutors in courses • Ins and Outs of Remote Instruction • How to assess and engage students in a remote learning environment • Using Zoom effectively for teaching Phil plans to hold a workshop on the topic of finding reverence in the workplace, appreciating routines and making worklife more meaningful. Tonya suggested a topic on Digital Storytelling. Phil will reach out to Gloria Barron and Jeremy Lignelli on that topic.		
Final Words and Close Out	Everyone stay healthy! The meeting was adjourned at 10:50am.
