

## End-of-Semester Survey

Please answer the following questions with as much detail as possible.

**1. What did your professor do to make this class a positive learning experience for you?**

**2. What else could the professor have done to make this class a positive learning experience for you?**

**3. Have your goals regarding your studies and career changed after taking this class? Yes or No**

**4. If your answer to Question 32 was "Yes"? How have they changed?**
