

Tutorial 07 - Adding Multi-Language Caption File

You can upload multiple language caption files for your video outside of English. If you are using a video editor to create your caption file, make sure to label the file name based on the language you are using for the caption.

The following instructions will guide you on how to add additional language caption file to your video such as Spanish, French, German, or Chinese.

In the Video Subtitles screen, click on **Add Language**. Then select the language you are uploading your caption file.

The caption file will appear on the screen. Click Add under Subtitles.
