Conference Sponsors

E-Learning, Innovation, and Teaching Excellence (ELITE)

The E-Learning, Innovation, and Teaching Excellence (ELITE) team is committed to providing excellence and leadership to the diverse Montgomery College community in the areas of instructional professional development, learning technology support and college-wide academic initiatives. We hold ourselves accountable to seek and provide practical, innovative solutions to enhance the learning experience of faculty, staff and students.

Montgomery College Innovation Works (MCIW)

Montgomery College Innovation Works is an integrated Think and Do Tank, a center for supporting and nurturing mission-driven innovation. Montgomery College Innovation Works supports the direction of MC2020 by helping to create a culture that sees being innovative, agile and proactive as our charge and that understands that innovation often requires communication and collaboration that goes beyond department and discipline units.
