

# Flipgrid: Engage Students in Video Discussions

Please install Flipgrid on your smartphone or tablet so that you can try it.

(Zoom is using the camera on your computer, so Flipgrid must be used on a separate device.)

Fall 2021 Professional Week

August 26. 2:15 – 2:45 pm

Tom Cantu

# Outcome S

By the end of this workshop, participants will be able to:

- Explain the purpose of Flipgrid
- Create an educator account on Flipgrid
- Create a sample discussion board "topic" on flipgrid
- Obtain additional Flipgrid tutorials

# WHAT IS FLIPGRID?

Flipgrid is a free and accessible website and mobile app that enables educators to facilitate **video discussions**.

Similar to a discussion board board, instructors can pose questions, called "topics," and their students can post video responses.

Flipgrid provides educators and learners the opportunity to engage in **asynchronous conversations and collaborations**.

## Hello, I am...

I am excited to learn with you on Flipgrid! Explore the Flipgrid camera features - including drawing, stickers, screen recording, stitching, trimming, and more - and share your creation.

In your video, share:

- 😊 How do you pronounce your name?
- 🗣️ What do you teach and how might you use Flipgrid?

*Click the button with the book and speaker to access the Immersive Reader and transform this text!*

Here is the video we watched earlier:
