## Step 2: Learn Together

Expand your **knowledge** of specific topics based on your learning pathway.

Enhance your **skills** through training, activities that incorporate theoretical learning and hands-on application of key concepts and tools.

Refine your **abilities** through self-reflection, feedback, and action planning.

## Step 3: Plan for the Application of New Learning

Create an action plan to support the application of your learning within your Fall 2021 course.

- Step 1:** Define your end goal
- Step 2:** List steps to be followed
- Step 3:** Prioritize tasks and add deadlines
- Step 4:** Set benchmarks/milestones
- Step 5:** Identify resources needed
- Step 6:** Monitor, evaluate and update

***A session will be offered during Professional Week (Jan. 2022) for evaluation/reflection.***

***To receive the summer PD stipend, faculty must participate in all tasks and activities associated with their chosen learning pathway, including an action plan submitted to ELITE by August 15, 2021.***
