

## Microsoft PowerPoint Presenter Coach

### What is Microsoft PowerPoint Presenter Coach

PowerPoint Presenter Coach is a free tool that is part of Montgomery College's Office 365 subscription service. You can access it at <https://www.office.com>. When the web page opens, log in by entering your MyMC username and password. Then click on the PowerPoint icon to select it.

### Why is Microsoft PowerPoint Presenter Coach Important?

#### Presenter Coach

- Monitors your speed, pitch, and words as you navigate the slides.
- Generates a report showing you:
  - Total time you spent and number of slides used
  - Ranks your performance in terms of pace
  - Cautions you if you are simply reading slide text or using filler words, euphemisms, or sensitive phrases, or if you were overly wordy.
