<b>Presiding: Phil Bonner</b>		<b>Recorder: Corinne Smith</b>
<b>Attendees:</b> Phil Bonner, Tonya Camp, Corinne Smith, Annie Welch, Richelle Charles		
<b>AGENDA LIST/TOPIC</b>	<b>DISCUSSION AND RECOMMENDATIONS</b>	
Review of Professional Day Workshops	Attendance numbers this year were better than last year attendance. Writing Recommendations seminar was most popular. It will be offered again in the Spring semester. Corinne suggested a different schedule next year so one workshop is offered per hour and attendees don't have to choose between topics.	
Review of Spring TPSS Workshops	Engaging Quiet Students (1/17/20) was well attended (17). It was mostly WDCE faculty. It may be offered again through WDCE in Spring or Summer. More promotion of TP/SS events is needed to increase attendance.	
Love of Teaching Conference	Phil is working with the Love of Teaching Conference on April 25 <sup>th</sup> . There was good attendance last year.	
Other Business	Annie asked about Mike Mills' reference to microcredentialing. Phil asked Corinne to research microcredentialing and bring information about it to the next ELITE TP/SS meeting.  The Women's Symposium is scheduled for Friday 3/27/20 at the TP/SS campus. This year the theme is "The Fight to Vote." ELITE will promote the event.	
Final Words & Close Out	The meeting was adjourned at 10:50am.
