- ❖ 10:00 a.m. – FPC FY25 Goals
 - Goal 1: Identify and share best practices for facility planners by exchanging individual college practices, as well as presentations from industry and state agencies.
 - Goal 2: Continue publishing CIP State Projects on both the MACC and FPC websites.
 - Goal 3: Monitor MACC to keep the FPC better informed, as the two-week notice for vaping regulations was insufficient.
 - Goal 4: Restructure meetings and broaden our member base to enhance knowledge sharing by annually reviewing the Facilities Manual, examining the website during meetings, integrating these elements into the meeting structure, and sharing standards and lessons learned from other projects. We will tie these ideas into the agenda and use the meeting location as a physical link by inviting others from the hosting campus for special topics.
- ❖ 10:30 a.m. – Break
- ❖ 11:00 a.m. – LEEDv5 Preview & Climate Solutions Now Act Alignment

An overview of upcoming changes in the LEED rating system and how they intersect with Maryland's Climate Solutions Now Act. This session will help institutions prepare for LEEDv5 certification requirements and compliance considerations.

- ❖ 12:00 p.m. – Lunch
- ❖ 1:00 p.m. – Old Business
 - TBD
- ❖ 1:30 p.m. – New Business
