## Unduplicated Student Enrollment and FTES

End of the Year Summary  
Five-Year Trend: Fiscal Year 2021 to Fiscal Year 2025

# MONTGOMERY COLLEGE

## Definitions

**Unduplicated students enrollment:** unique student count across all semesters within a fiscal year (Figure 1).

**FTEs:** Full-Time Equivalent Students is a measure used to calculate enrollment for funding purposes. A portion of the College's revenue from the State is based on state-funded FTEs. (Figures 2, 3, and 4)

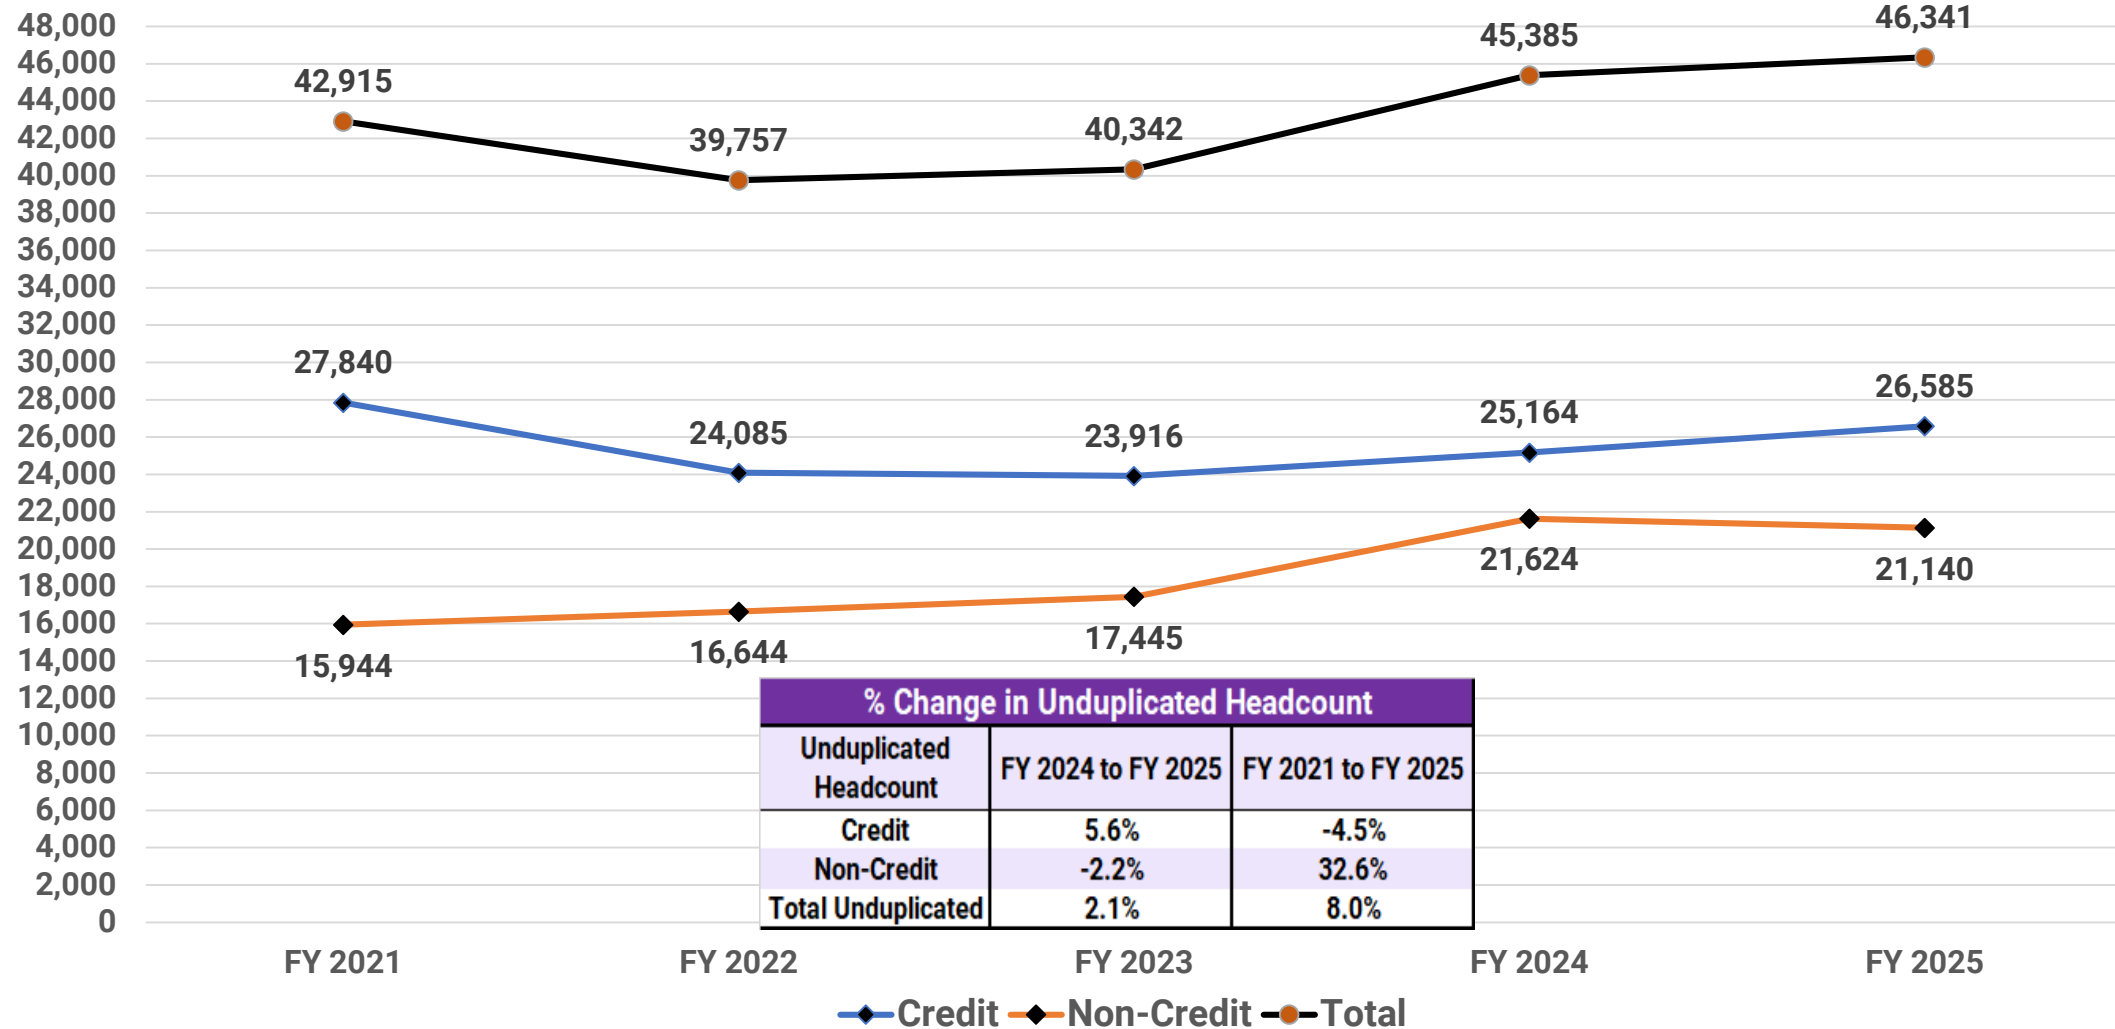

**State-Funded:** FTEs generated by the enrollment of eligible Maryland residents (both in-county and out-of-county) and eligible noncredit courses.

**Non-Funded:** FTEs not funded by the State, including FTEs generated by the enrollment of ineligible out-of-state students, international students, and ineligible noncredit courses.
