My hobbies include running, playing basketball, reading, and playing strategic board games with my family (RISK, Ticket to Ride, Battle Ship).

2. **What would be your ideal dream vacation?**

My ideal vacation would be to travel around the United States in an RV with my family – taking in all the wonderful sights.

3. **What is the first thing you would buy if you won the lottery?**

I would first purchase a vacation home in the Finger Lakes and then pay off all of my family's debt.

4. **What's the one thing you can't live without?**

CHAPSTICK!!

5. **What's your favorite childhood memory?**

My best friend growing up was Jennifer Flory. During the blizzard of 1993, I was stuck at her house for a week because the pipes at my house froze and her father would not let me leave. We spent that entire week sled-riding in the huge corn field behind her house. We didn't even need sleds because there was a thick coating of ice on top of the 2+ feet of snow that fell. We would slide down and grab ahold of the corn stalks sticking up out of the snow/ice. Additionally, when we got cold, we played Nintendo, made commercials, watched movies, etc. It was such a fun week!!

6. **What was the last movie you saw at the theater? How many stars would you give it if you were a Movie Critic?**

HAHAHA. The last movie I saw in the theaters was Breaking Dawn, part 2. I would give it 4 out of 5 stars because I loved how they manipulated the ending...but Kristen Stewart's acting is atrocious.

7. **What was the last sport or music concert event you attended?**

The last sporting event I attended was a Braves/Phillies baseball game in Philly with my entire family. GO BRAVES!

8. **If you could get a second chance for a "dream job", would you still be doing what you're doing right now or is there another job you would love to have?**

I absolutely LOVE teaching and can't imagine doing anything else. Growing up though, there was a small period of time when I wanted to be a meteorologist. Now I sometimes dream about being a professional organizer when I retire.
