## 1. **What is your role at Montgomery College?**

My role at Montgomery College is primarily in MCTV (Montgomery College Television). My primary duty is managing daily TV programming schedule for replay and live broadcast, including streaming the channel over the Internet. I support and maintain MCTV's digital and tape based programming library. The library includes the very first Commencement we recorded to the latest one, and millions more programs in between. Moreover, I am also responsible for a wide array of system integration for MCTV. I am a database administrator for the College's TV station providing information management service.

## 2. **How long have you been in the field?**

I have been in IT field for almost 10 years and started information management seven years ago.

## 3. **How long have you been at Montgomery College?**

I have been with Montgomery College since November 2008.

## 4. **What are some of your hobbies?**

I am a history buff so I like reading and watching history documentaries. Other hobbies are playing video games and building custom gaming PC and peripheral. Currently, I am into building custom small form factor mechanical keyboards

## 5. **What would be your ideal dream vacation?**

I would like to climb mount Everest.

## 6. **What is the first thing you would buy if you won the lottery?**

I would buy a Lamborghini for all my friends and family.

## 7. **What's your favorite childhood memory?**

My favorite childhood memory is watching Japanese anime on the weekend.

## 8. **What was the last movie you watched? How many stars would you give it if you were a Movie Critic?**

The last movie I watched was Alien Covenant. I didn't like that movie.

## 9. **What was the last sport or music concert event you attended?**

The last music concert I attended was in Baltimore. It was Rimsky-Korsakov's opera.

## 10. **If you could get a second chance for a "dream job", would you still be doing what you're doing right now or is there another job you would love to have?**

If I had a second chance for a "dream job", I would still be doing this job!
