Each MCRPA member plays an important role in our structure. Because our activities directly result from our members' shared interests, we encourage our members to engage with MCRPA programming. Members determine the intensity and time commitment of their involvement. We realize that members have other commitments, both personal and professional. Explore our committees, events, membership and leadership team. MCRPA always welcomes suggestions for new roles and/or committees.

#### Chat and Chill

This event is one of our social activities that occurs once a semester. Our Chat and Chill typically occurs offsite during the weekend and is opened to members and their families.

#### Holiday Gatherings

Offered during our winter months, our holiday gatherings invite members to congregate over a potluck style meal with themed music, food, and games.

#### Networking Lunch

Throughout the year, MCRPA hosts these networking sessions to allow members to meet new colleagues and socialize over lunch. These are more informal sessions that typically happen on campus and have migrated to virtual meetings.

#### Year-End Gathering

To close out our year, we host a social event off-site for our members to celebrate the success of the year before we break for the summer.

#### Leadership Retreat

Each July, before our year commences, the newly elected leadership team meets for the equivalent of a workday to plan out the calendar for the year, and engage in training, development, and fellowship.

#### Lunch and Learn

As an extension to our Networking Lunch, the Lunch and Learn event offers a more structured component where members come together to learn about a popular or hot button topic.
