## Financial Aid Request

---

**Document:** Eligible program of study and/or catalog year required

**Requested Date:** Within ten days from the date you receive this notice

---

Your Program of Study and/or catalog year are currently invalid.

In order to be eligible for federal financial aid programs at Montgomery College, you must be enrolled in an eligible certificate or degree program in a valid catalog year and you must be taking courses for credit, not audit.

To update your catalog year you may visit the Office of Admissions & Records on your Campus.

To receive help in updating your program of study in the catalog year that is correct for you, please make an appointment with an Academic Advisor.

The form to update your Program of Study (Major) and/or catalog year can be found [here](#).

Funds will not pay to your account until you update your program of study and/or catalog year.
