I. The Board of Trustees recognizes that a wide range of personal problems not directly associated with one’s role at the College may affect on-the-job performance of faculty and staff, and that the problems may be behavioral/medical in nature or involve alcohol/substance abuse, marital, family, financial, legal, or other problems of a personal nature.

II. In providing a referral program for employees to seek solutions to these problems, the Board believes that it is acting in the best interest of the College as a whole; employees benefit from the resolution of such personal problems, and the institution and its students benefit from healthy and productive employees.

III. In recognition of the benefits of such a program, the Board of Trustees authorizes the President to establish a Montgomery College Faculty/Staff Assistance Program and procedures which will provide short-term counseling and referral services to eligible College employees.

IV. Eligible employees for purposes of the Montgomery College Faculty/Staff Assistance Program will be all regular College personnel who work at least 20 hours per week, temporary employees with benefits, the immediate families of such personnel, and retirees for a period of one year from the effective date of retirement.

V. All records relating to individuals who utilize the program will be maintained in strictest confidence in accordance with medical, legal, and ethical standards.

VI. The President is authorized to establish procedures to implement this policy.
